SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT (IDS)

This letter and associated documents are submitted after the issuance of a first Action but before the issuance of a final Action or Notice of Allowance in the present application, and are meant to supplement the Supplemental Information Disclosure Statement filed in this application on July 12, 2009 wherein the Commissioner was authorized to charge Deposit Account No. 50-4939 in the amount of \$180 (according to Rule 1.17(p)) to pay for the submission of the July 12, 2009 IDS. The Commissioner is authorized to charge **Deposit Account No. 50-4939** with any fees that may be deemed as due in this application, or to credit any overpayment.

Comments made in the July 12, 2009 letter and accompanying documents also relate to the present letter and associated documents, unless noted otherwise. For instance, as mentioned in Applicant's July 12 letter, information disclosed herein is believed to be complete and within the meaning of the duty to disclose information and the duty of good faith and candor imposed by the USPTO. No information that should be submitted in compliance with these duties has been intentionally omitted from this letter or associated documents. In the event that any material, non-cumulative information is deemed missing, it is noted that such omission was made in error, and without any intent to withhold information from the USPTO. Also, information submitted in this IDS is not meant to indicate that a search has been made, or that any given document is prior art in the context of the

present invention. Page/line numbers of relevant passages mentioned by examining bodies are described for instance in the attached Office Action.

Documents 1-5 were mentioned in the application as filed for instance at page 4 (Pierson), page 6 (Lee), page 7 (Shao; Illum) and page 10 (Lowell).

Document 6 relates to an Office Action issued in US App. 09/890,335 on July 29, 2009. The Action includes rejections under 35 USC 112, under 35 USC 102 over Paul et al. (Vaccine Res. 4:145-164 (1995)), and under 35 USC 103 over Glenn et al (WO 98/20734) in view of Paul et al. (Vaccine Res. 4:145-164 (1995)), with mention of Ellis (Chap. 29 of Vaccines, Plistkin et al. (eds) (1998)).

Respectfully submitted,
